

**In June of 2007 we were asked to pray for a man that had a stroke, and the doctors said he would not live too long after that. People from the Catholic church were giving him his last rites when we got there. We prayed for him and as you can see from the picture he is doing well. This is his wife and they wanted to thank you for sending us so we could pray for them. They wanted the Pastor to take a picture them.**

**As we were there Yolanda gave a little talk about salvation and 23 family members asked Jesus to come in to their hearts, PRAISE GOD. These are some of the family in the picture to the right. This so wonderful to see people coming to the Lord. This is what your gifts and support goes for EXPANDING GOD'S KINGDOM. Your prayers and your gifts are needed more than ever for this next trip, because of the rain and floods all the food prices have gone up. The farmers have lost everything. Please pray for the well being of these people that the Holy Spirit will give them peace and that they will come to know Jesus. All the children said to tell you thanks for all their food, juice and their books.**

**Till next month may the Lord bless you. Pray please!**
