I am reminded about the scripture II Corinthians 8:12. Paul was talking about giving and not how much just giving what you can. Just give what you have and not what you don't have. I reminded of a story, about a woman that gave in faith that a person she knew would go to a certain school a Christian school. She prayed and gave so much on a credit card and that was it. Some years later the lady was telling me that she had learned a lesson about giving on a credit card, not to say that some people can give on their credit cards always make sure you can pay it with no interest. But she didn't have the money to pay when the bill came in so she payed payments on what she gave. Her intention were good but she gave what she didn't have. This is what I think Paul was talking about.

With your giving you make it possible for the food for the people of the church in Santa Elena, Ecuador and by giving you made a church for them to worship and learn the word of God. You also furnished chairs and a nice clean inside. This you have provided through your giving.

As we pray for those that receive your gifts we also pray that the Lord blesses you for your giving. Please share with us so we can share with the people in Ecuador what blessings you have gotten through your giving, this would bless them even through their giving local.

This trip is going to put us in a position to go into Peru as well as Ecuador, we are also going to put a church in San Antonio, Ecuador. We are also trying rent a coliseum in Santa Elena for meeting and to see the Lord work what he wants to through signs, wonders and miracles. We are going to many of the prisons also. We are so grateful for your giving to make these trips and all the salvation and the expansion of God's Kingdom. We will let you know more as we get it about this trip. God Bless you all,

Thanks for your obedience to the Holy Spirit. Ron & Yolanda Moore
