

Sorry it took so long to get this to you since our trip, there were some things that had to happen first. I would like to thank everyone that was a part of this last trip in June and July.

We saw 222 people give there lives to the Lord. In the prisons went to for the first we saw 28 inmates gave there lives to the Lord for the first time(PRAISE THE LORD). It really excites us to see and not only that but be a part of them coming to the Lord.

In the Prison we always go to. We saw 52 out 55 come to the Lord.

They wouldn't allow us to take our camera in this time, sorry no pictures.

We are almost finished with the church. The front of the church has the name on it. And all the kids said thanks for helping with this. The next is to paint the whole outside and start on the bathrooms. We also did our first wedding outside the USA. The pastors daughter was married it was great. Wish you could have been there. We want to thank you again for you support. All the kids came.

- **I never knew a church that was growing and winning souls to the Lord that did not love missions and actively be seeking the lost in their local area and through their missions program around the world.**

And you are our partners.
